Policies related to pledge adjustments at B'nai Israel are listed below:

- a) Any member may request an adjustment to the standard membership pledge. Such requests are handled with discretion.
- b) Membership in the congregation will not be denied simply because an individual is unable to meet dues, fees, or other financial demands.
- c) Congregation B'nai Israel expects all members—even those receiving special consideration—to contribute an appropriate amount toward support of the congregation.
- d) To receive an adjustment, complete and return this form to the temple office along with your Membership Pledge Form.
