RE: Camp Shelanu CIT Summer Program

DATE: December 19, 2009

Congregation B'nai Israel's newest kid's program is returning this summer: Camp Shelanu, our own summer day camp experience for kids in kindergarten through grade 10. We know our day camp is going to be full of fun summertime experiences and full of "rauch" (spirit). A well trained staff that is caring, creative, energetic and fun is key to our success.

CIT=Counselor-in-Training

We want to "grow" our counselor staff. We will accept a limited number of 9th and 10th graders in the CIT Program or (*k'far/village*). The CIT experience will put an emphasis on leadership and counselor training skill. CIT's will spend time working side-by-side for a hands-on learning experience with junior and senior counselors, as well as gaining valuable Judaica knowledge.

So, sign up now. Please fill out the brief CIT application, enclose the required fees and send or bring it all in to CBI.

If you have any question, please call or e-mail me (446-4861, sunnyromer@bnais.com)
