

## **William Henry Zimmerman URJ Campership**

The William Henry Zimmerman URJ Camp Scholarship Endowment Fund was established by Bill Slaton and Kent Newton to honor the memory of William Henry Zimmerman. It provides a campership(s) to attend any URJ Summer Camp program to one or more deserving students whose families are members of Congregation B'nai Israel.

The Zimmerman Fund will distribute one or more scholarships of not less than \$200 for the summer of 2010. The only requirement for the scholarship award is the commitment by the recipient(s) to perform a community service project in/for the Jewish community. Applications may be picked up in the temple office and must be returned by Thursday, April 1, 2010.

The William Henry Zimmerman URJ Camp Scholarship Endowment Fund is part of the Jewish Community Foundation of the West. It exists solely to financially assist and help B'nai Israel students in attending URJ summer camps. We thank Bill and Kent for establishing this worthwhile fund and hope that our CBI families help keep this fund growing. Individual contributions to this fund are appreciated and help to strengthen our congregation and community. Donations may be sent directly to the Jewish Community Foundation of the West, PO Box 660663, Sacramento CA 95866.
